P.O Box 132,
Stirling City, CA 95978

October 12, 2020

Dear Tyrel:

The COVID-19 pandemic and resulting rules and regulations has resulted in turbulence in our everyday life. This also impacted all of the plans for our August 1, 2020 Stirling City Old Timer's Picnic. (SCOTP)

I wish to thank you on behalf of the SCOTP Committee for the wonderful assistance that you provided for the last-minute change in location from the Stirling City Museum to Clotilde Merlo Park.

We will be very interested to know if there is anything that we can do to be more helpful next year. Was our move-in and move-out process acceptable? Was our clean-up thorough?

The Committee has authorized me to confirm our request/reservation to use the same area the first Saturday in August 7...2021. Will you please email me that confirmation and include any suggestions on how we may be of greater assistance?

Thank you, Tyrel. You are a great credit to the Clotilde Merlo Park administration.

Sincerely,

Bill Dennison, Chair—SCOTP
